MISSING VULNERABLE ADULT MALE 7300 BLOCK SOUTH HOUGHTON ROAD

The Tucson Police Department seeks public assistance with locating a missing vulnerable adult male. Mr. Walter Cichocki, 83-years old, was last seen at a Veterans Administration Clinic at approximately 3:45 p.m. on December 3, 2013. Mr. Cichocki drove his light brown 2012 Toyota Tacoma single cab truck, bearing Arizona license plate ATY4210, to the Veterans Administration Clinic on the afternoon of December 3, 2013. His wife expected him to return in the afternoon hours, but he did not. She called 911 in order to request police assistance with locating him on the evening of December 3, 2013 after several hours had passed and he had not yet returned to his residence, which is in the 9300 block of East Trail Ridge Place. Mr. Cichocki is described as a Caucasian male, 6'00" tall, weighing approximately 175 pounds, and having gray hair and green eyes. He was last seen wearing a blue denim jacket over a green sweater, blue jean pants, and white sneakers. Mrs. Cichocki reports that Mr. Cichocki has been getting confused and lost with greater frequency as of late. Although he has not yet been diagnosed, there is concern that he might have advanced dementia. In light of the fact that Mr. Cichocki has not yet found his way home, the Tucson Police Department asks that any citizen who might have seen him or his vehicle to please call 911 so that we can assist him with getting back to his family and home as soon as possible. Photographs of Mr. Cichocki are included below.
